

The Berkeley at Medford Pointe

1 Bedroom / 1 Baths / 802 Sq. Ft.

Every aspect of The Berkeley has been thoughtfully considered to provide a welcoming, comfortable environment for living well. We've taken cues from Craftsman-style architecture and interior design for a classic yet modern feel you'll notice in the substantial woodwork, built-ins and clean lines. From the large closets to granite kitchen countertops with built-in vented microwave, garden tubs, granite bathroom counters, and tall windows to the laundry hookups and available garage spaces, The Berkeley is a great place to call home. Survey the landscaped grounds from your private patio or balcony. Workout in the fitness center, enjoy the lounge and nearby entertainment and dining. All just minutes from work, school and shopping in Greenville.
